# Octa-Viewer PRODUCT FAMILY

*The finest in materials and workmanship – made specifically for you!*

## FEATURE HIGHLIGHTS

- Innovative 360° design showcases the inhabitants without distracting from their natural beauty. (180° End-Cap design also available.)
- Variety of sizes and a large selection of colors available - to suit your specific needs
- 3” locking casters allow for easy movement and control
- Lockable storage base and locking system - safety and protection from tampering and theft
- Ventilated cage top - your birds’ beautiful music can be enjoyed by all
- T-lock support system keeps accessories, food and water containers off bottom of cage
- Easy access for cleaning, maintenance and capture
- Built upon an anodized aluminum frame - won’t deteriorate over time due to cleaning and wear
- Fixture frame design eliminates injury from sharp edges and corners
- Dividers (optional)

## ELECTRICAL REQUIREMENTS

All units plug into a standard 110 volt outlet, draw less than 8 amps and meet U.S. and Canadian UL standards.

## PLEASE NOTE:

Aggressive disinfecting and cleaning practices are recommended to help control the spread of bacteria and possible cross-contamination, which could result in illness for humans, birds, reptiles and small animals.
