"Last fall we purchased some enclosures from Companion Habitats...

- *The animals are much happier.*
- *The public is delighted to see them; previously they have hardly been noticed.*
- *Rabbits, guinea pigs, hamsters, reptiles and other small pets are adopted much more quickly.*
- *More pets are finding new homes – not only this, but the housing units give our shelter a much more professional look."*

– Barbara S. Carr, SPCA, Tonawanda, NY
